

# Student Aeronautical Event Sweden

Västervik – June 12, 2025

An annual event organized by university aero teams from **Chalmers, KTH and LiU**, in collaboration with **Västervik Drone Science Park**.

The purpose of the event is to strengthen the **national network** among universities, companies and the **aerospace industry**, while generating student interest.

Each university will showcase their **aircraft**, their **achievements** over the past year and their **vision for the future of student aeronautics**. The teams will participate in various competitions, therefore each aircraft will be designed with different aspects in mind.

---

**By inviting companies to the event, we hope to initiate a dialogue and establish a symbiotic relationship between the aero teams and the industry.**

**Reserve your seat and come fly with us!**

# Programme June 2025

## Wednesday June 11

19:00 **Dinner (optional)**

## Thursday June 12

### Presentations

09:00 Arrival to the airfield  
10:00 Welcome presentation  
10:10 **Student Aeronautical  
Event Sweden**  
10:20 **Västervik Drone  
Science Park**  
10:35 SARC  
10:45 Break  
11:00 **Chalmers Aero Team**  
11:25 **Team Findus LiU**  
11:50 **Aero Design Team KTH**

### Lunch

### Flying

13:45 **Chalmers Aero Team**  
10 minute mingle  
14:10 **Team Findus LiU**  
10 minute mingle  
14:40 SAAB  
15:00 Fika break &  
Sponsor stands  
15:20 Frost Unmanned  
15:35 **Aero Design Team KTH**  
10 minute mingle  
16:00 Closing notes & mingle
